* Coverages and discounts vary by carrier and are subject to change. Discounts listed are based on mitigation rate filings with the Louisiana Department of Insurance as of June 1, 2021. Discounts apply to wind premiums and may vary based on a home's FORTIFIED designation level (Roof, Silver, Gold, or the previously offered FFSL) and location. This list is a representative sample and may not include all FORTIFIED discounts filed with the Department. Consult with your insurance agent for specific details on applicable discounts.
